

Referral Fee Terms

These Referral Fee Terms constitute a legal agreement between you, as the user of the Website, and Bit4me Limited, as the owner of the Website. Throughout these Referral Fee Terms, we will refer to you as "you", and we will refer to Bit4me Limited as "we", "us", "Cryptovest", or "Bit4me".

1. Application

These Referral Fee Terms set out the terms on which we intend to pay you fees for referring new users to Cryptovest. They apply to you as soon as you first use the Website, and you are deemed to have agreed to be bound by them upon your first use of the Website. If you do not wish to continue to be bound by these Referral Fee Terms, please stop using the Website now.

2. Relationship to Other Agreements

In addition to these Referral Fee Terms, our [Terms of Service](#) and our [Privacy Policy](#) apply to you and everyone else who uses the Website. We refer to the Terms of Service, the Referral Fee Terms and the Privacy Policy together as the "Website Agreements".

During the course of your use of the Website, you may choose to agree to be bound by certain other agreements: for example, if you wish to sign up to Cryptovest, you will need to agree to a Membership Agreement, and if you wish to invest in our business through Cryptovest, you will need to agree to our Investment Agreement. We refer to all of these other agreements as the "Platform Agreements", because rather than just governing your technical use of the Website, they set out the substantive terms that govern your relationship with us when you make use of our platform.

The Website Agreements will continue to apply to you even after you have agreed to a Platform Agreement. However, if it turns out that there is a conflict between the Website Agreements and a Platform Agreement that you agree to, the Platform Agreement will take precedence.

3. Structure of Referral Fees

From time to time, we may have in place arrangements by which we pay you referral fees for referring investors to Cryptovest. Currently, we have one type of referral fee arrangements in place for Cryptovest members:

1. Referral fees that we pay when you refer a new investor to Cryptovest. We call these "General Investor Referral Fees". These fees are paid directly to your Cryptovest account, and the details are currently set out on the [Referrals](#) page.

In some circumstances, we may pay you referral fees when your business brings investors to Cryptovest to invest in its own products. These include "Affiliate Service Referral Fees", which apply to certain larger investors, and "Network Investor Referral Fees", which apply to certain other investors. The applicability of these referral fees must be agreed with us in advance of your campaign being made available on the platform, and will be paid by an offset against the fees the business pays us on successfully completing its campaign.

Any or all of these referral fees are subject to change or be withdrawn at any time and entirely at our discretion. Such changes may impact the fees payable in respect of referrals you have already made. Any new referral fee system will be described on one or more pages of the Website or in another form of notice to you. All referral fees will be paid gross of any tax you may be required to pay.

4. Identification and Regulatory Requirements

We will generally pay your referral fees to you at the time the relevant investment transaction is completed. However, we may require you to pass anti-money laundering checks or other identification checks, or to satisfy other regulatory requirements, and we may decline to pay you any referral fees until and unless you have done so. If you do not pass such checks or satisfy such requirements within a reasonable period of time, we may cancel your referral fees.

5. Exceptions

Our referral fee system is intended to encourage you to refer genuinely new investors and Cryptovest. We therefore reserve the right to refuse to pay referral fees in respect of an individual or business that is directly connected with you. That may include an immediate family member, a company which you control or are associated with, or investors in your own campaign, but it may also include other relationships where we believe that payment of referral fees would not be consistent with the purpose of this system. The determination as to whether to refuse to pay referral fees will be made entirely at our discretion.

6. Severability

We have made every effort to ensure that these Referral Fee Terms adhere strictly with the relevant provisions of the Unfair Contract Terms Act 1977 and other applicable laws. However, in the event that any of these provisions are found to be unlawful, invalid or otherwise unenforceable, that provision is to be deemed severed from these Referral Fee Terms and shall not affect the validity and enforceability of the remaining Referral Fee Terms. This clause on "Severability" shall apply only within jurisdictions where a particular term is illegal.

7. No Waiver

In the event that either you or we fail to exercise any right or remedy contained in these Referral Fee Terms, that does not mean you or we (as applicable) have waived that right or remedy and so shall not be construed as a waiver.

8. Revisions

From time to time we may update these Referral Fee Terms to take account of changes in the law or for any other reason. If we update these Referral Fee Terms, we will post a new version on the Website, and as soon as you use the Website after they are posted, you will be deemed to have agreed to the updated version, but you will still be bound by the terms of any previous versions to which you have agreed or been deemed to agree. If there is a conflict between two versions of the Referral Fee Terms to which you have agreed or been deemed to agree, the more recent version shall take precedence unless it is expressly stated otherwise.

9. Communications

If you wish to communicate with us about anything related to these Referral Fee Terms, you may do so by sending an email to info@phoenixinvestor.co.uk

10. Choice of Law

These Referral Fee Terms shall be governed by and construed in accordance with the laws of England and Wales.

11. Jurisdiction

You agree to submit to the exclusive jurisdiction of the courts of England and Wales. This means that if you want to bring a legal action against us, or we want to bring a legal action against you, it must be done in one of these courts.

12. Definitions

We have used a few capitalized terms in this agreement, which means that they have specific definitions. In some cases, the definition is set out when they are first used, but in a few cases, we give the meaning below instead.

- Website means the website that you are currently using (www.cryptovestfs.com) and any sub-domains of this site unless expressly excluded by their own terms and conditions.
